MEMORANDUM FOR: Chief, FE/Admin

SUBJECT : Request for Overtime Payment,  
25X1A [REDACTED]

25X1A

REFERENCE : Memorandum for Special Contracting  
Office from Chief, FE signed by [REDACTED]  
25X1A [REDACTED] dated 25 February 1954,  
same subject.

1. This Staff cannot approve your request that we now in  
1954 authorize payment of overtime to an individual for services  
performed in 1951-1952 under a contract which did not include  
overtime benefits. Legally, there is no "consideration" to support  
such an authorization. 25X1A

2. Reference is made in your memorandum to the fact that  
"all contract personnel at [REDACTED] were granted retroactively  
a Federal pay raise and payment of overtime." It is presumed  
that you are referring to the action taken by the Committee  
established by CIA [REDACTED]. As you know, this committee  
was specially constituted and had special authorities, but its  
decisions only have applicability to the cases submitted to it and  
cannot be extended to the subject individual.
